Welcome our newly elected officials, Supervisor Steve O'Donnell and Auditors Bryan Coy and Alexandria Houck. STCC would like to say goodbye and thank Butch O'Donnell for his ten years of service with the Township.

The Board of Supervisors along with the Zoning Officer, Township Engineer and the Township Solicitor, has worked over the course of four plus years to update our Comprehensive Plan. The Comprehensive Plan has been adopted and can now be viewed on our website.

As of November 25, 2019, Ordinance 2019-2 is now in effect, requiring that a permit be obtained prior to placing a fence or shed on any property located in the Township. The only exception will be for agricultural purposes.

WINTER REMINDER

Please use caution when driving in the snow. Allow extra time to get to work in the inclement weather. Crews work as quickly as possible to clear the roads of snow and

clear crashes. While you may be driving the speed limit in a wintry conditions, it may still be too fast to be safe and is still a citable offense under the Vehicle Code.

As a reminder, if you see an emergency vehicle approaching towards you or from behind you, you are required to yield. Pull over as far as is safely possible.

If there is a significant backlog of traffic on the interstate from a crash or roadwork and your vehicle is going to run out of fuel or overheat, please pull as far from the travel lanes as you can and request help.

In snow storms, please do not abandon your vehicles on the roads and interstates. Your vehicle will be towed at your expense in order to clear the snow, including the possibility of a citation under the Vehicle Code.

Do not leave unattended vehicles running to warm up. This allows a potential car thief easy access

to steel your vehicle.

Remember to update your addresses on your PA identification cards, driver's license, and vehicle registrations.

As tax season approaches, keep in mind that the I.R.S. will not call you demanding payment in the form of gift cards. Please be aware of such scams and do not allow yourself to become a victim.

Trash Payment Update

Southampton Township is now accepting credit card payments for trash bills. At the present time, **credit card payments will only be accepted online.** We will not take credit card payments on the phone or in our office. If you are interested in paying your trash bill with a credit card go to our website at <http://southamptontwp.com>

Please remember, all trash must be bagged and placed in your tote. Additional bags placed on the ground will not be picked up. All trash must fit in your tote.
